CAL HIGH SCHOOL

Dear Norma

We sure had lots of
fun at Grand Assemblé.
Didn't we?

We just became friends
this term I hope next
term we can even become
better friends. I hope you'll
forgive ^{me} for all the times
I've gotten mad especially
at shows.

All the luck in the world
to a wonderful girl.
A friend always

oakland technical high school
"tech, the nucleus of our lives"

dedication

mr. walter t. walsh

for three years oakland technical high school has been the center of our activity, "the nucleus of our lives." one person, mr. walter t. walsh, above all others, stands out in our minds as giving unlimited service and devotion to the student body.

we the staff of the 1954 talisman dedicate this book to the memory of mr. walsh who won the heart of everyone who knew him.

mr. walsh who came to tech in 1946 taught radio shop, p. a., and electronics. aside from his teaching duties, mr. walsh sponsored the chess club, the chinese club, the p. a. crew, the radio club, and the photography club. he was always willing to help with extracurricular activities. while at tech, mr. walsh attended every school picnic, including the dux picnics and the senior picnics. he also supplied the public address system for the outdoor assemblies.

in dedicating this book to mr. walsh, we feel that it is the best memorial we can give him, for it portrays the type of life that he helped to build for the students of oakland technical high school.

miss rosabelle scott

mr. charles b. gilmore

administration

our principal, dr. george c. bliss, has added a special flavor to the lives of all technites by his colorful and understanding leadership. through his four terms at tech, he has created a friendly feeling between both the faculty and the students that has benefited everyone.

miss rosabelle scott, dean of girls, always has a friendly and warm smile when she greets someone. She has done a marvelous job in organizing tech's many activities into a term full of enjoyment and excitement.

mr. charles b. gilmore, dean of boys, has made such a terrific hit, with his sense of humor, that he will long be remembered by technites as "the administrator with an audience."

leading tech during the fall semester was gary blatt, student body president. ron matheson, vice-president, organized the first representative assembly, while stan rajnak, chief justice, conducted the first sessions of the new student court.

nancy flack, as student body secretary, worked with albert castellanos, commissioner of traffic; elaine selle, commissioner of finance; martin schmidt, commissioner of publicity; and al kanzaki, commissioner of stage activities to make the fall term a success.

bob bain, commissioner of club activities; rosita casanares, commissioner of social activities; and john harguindeguy, commissioner of maintenance, helped plan the events that many technites enjoyed.

school leaders fall

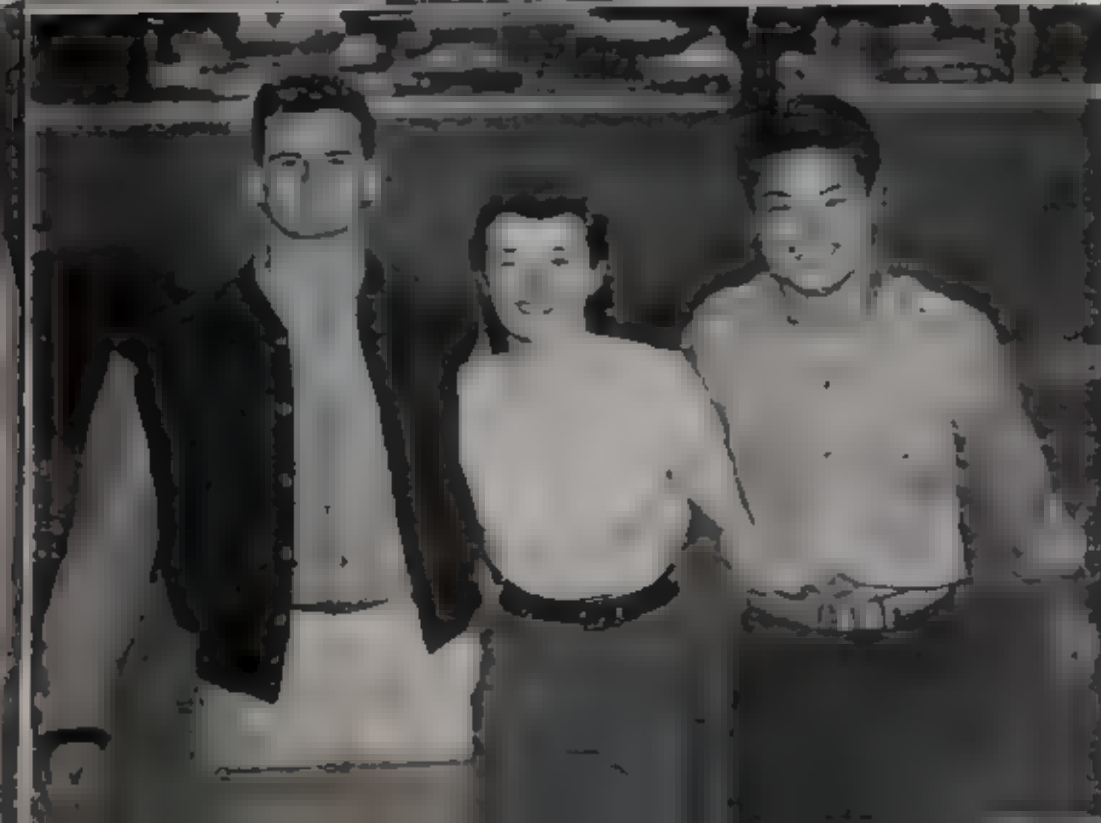

john trump, student body president, directed activities during the spring semester. dick warmer, vice-president, continued the representative assembly which steadily gathered student interest. the student court handled many cases under the leadership of jack butler.

ortencia lopez, student body secretary, saw that every student received a birthday card. george markison, commissioner of stage activities; carole battaglin, commissioner of club activities; cecilia rivera, commissioner of social activities; and henry lubatti, commissioner of maintenance, worked with students and teachers to make each activity a success.

james chan, commissioner of publicity; coralie savage, commissioner of finance; and don tamm, commissioner of traffic, helped keep up tech spirit.

school leaders spring

student court

the student court is composed of two courts, the lower court and the court of appeals. these are presided over by the chief justice and four associate justices. the lower court is composed of the five justices, bailiff, and recorder. during the fall stan rajnak was the chief justice; and dick warmer, marshall tapia, norman proffitt, and kim jew were the associate justices. joanne bugnatto was the recorder, and ron werner was the bailiff. in the spring jack butler was elected chief justice; and barbara browman, john jones, esther morris, and johnny cooke served as associate justices. kim wakefield was the bailiff, and joanne bugnatto again acted as recorder.

below is a picture of the fall representative assembly with ron matheson, student body vice-president, presiding.

JOHNNY CURRE

representative assembly

the representative assembly is composed of one representative from each homeroom and one representative from each school-approved club having 10 or more members. the vice-president of the student body presides over the representative assembly but has no vote in the proceedings except in case of a tie. ron matheson was president of the representative assembly during the fall, and dick warmer took over the job in the spring.

senior counselors

miss jessie granger

counselor for the
January, '54 class

miss jessie granger took over the task of advising the class of january, '54, when we were h 10's. she helped us with our individual problems and lent a hand in the planning of our class activities. miss granger will always have a place in our hearts.

mrs. helen vockel has been the counselor for the a to l section of the june, '54 class since we were h 10's. she was always willing to help us with our problems or plans for the future. during our high senior year, she divided the job of supervising the class activities with mrs. miriam hillegas, who counseled the l to z section of the class.

mrs. hillegas took over the counseling of the class when we were h 11's. she helped in the planning of many of our activities, including the senior farewell. we will always remember the help and understanding that our counselors gave us during our three years at tech.

1. The first step is to make a list of all the things you want to do. This is called a "to-do" list. It should be as specific as possible. For example, "clean my room" is better than "clean up".

you are a real

tech spirit

the fall yell leaders that cheered tech's football team into a tie for second place and also helped tech's championship basketball team win the a. a. l. championship were head yell leader, cecilia rivera, and hard-working assistants, oscar barragan ross shideler, ann scott, and cloti de "clo" martinez. cecilia had another able assistant in bobo, the school mascot.

with the spring sports program of basketball, baseball, track, swimming, tennis, and golf, head yell leader nancy flack, was assisted by arlene ragghianti, nancy kelly, feagat wong, and marie castalianos. this group saw action at the tournament of champions at which tech represented the oakland athletic league.

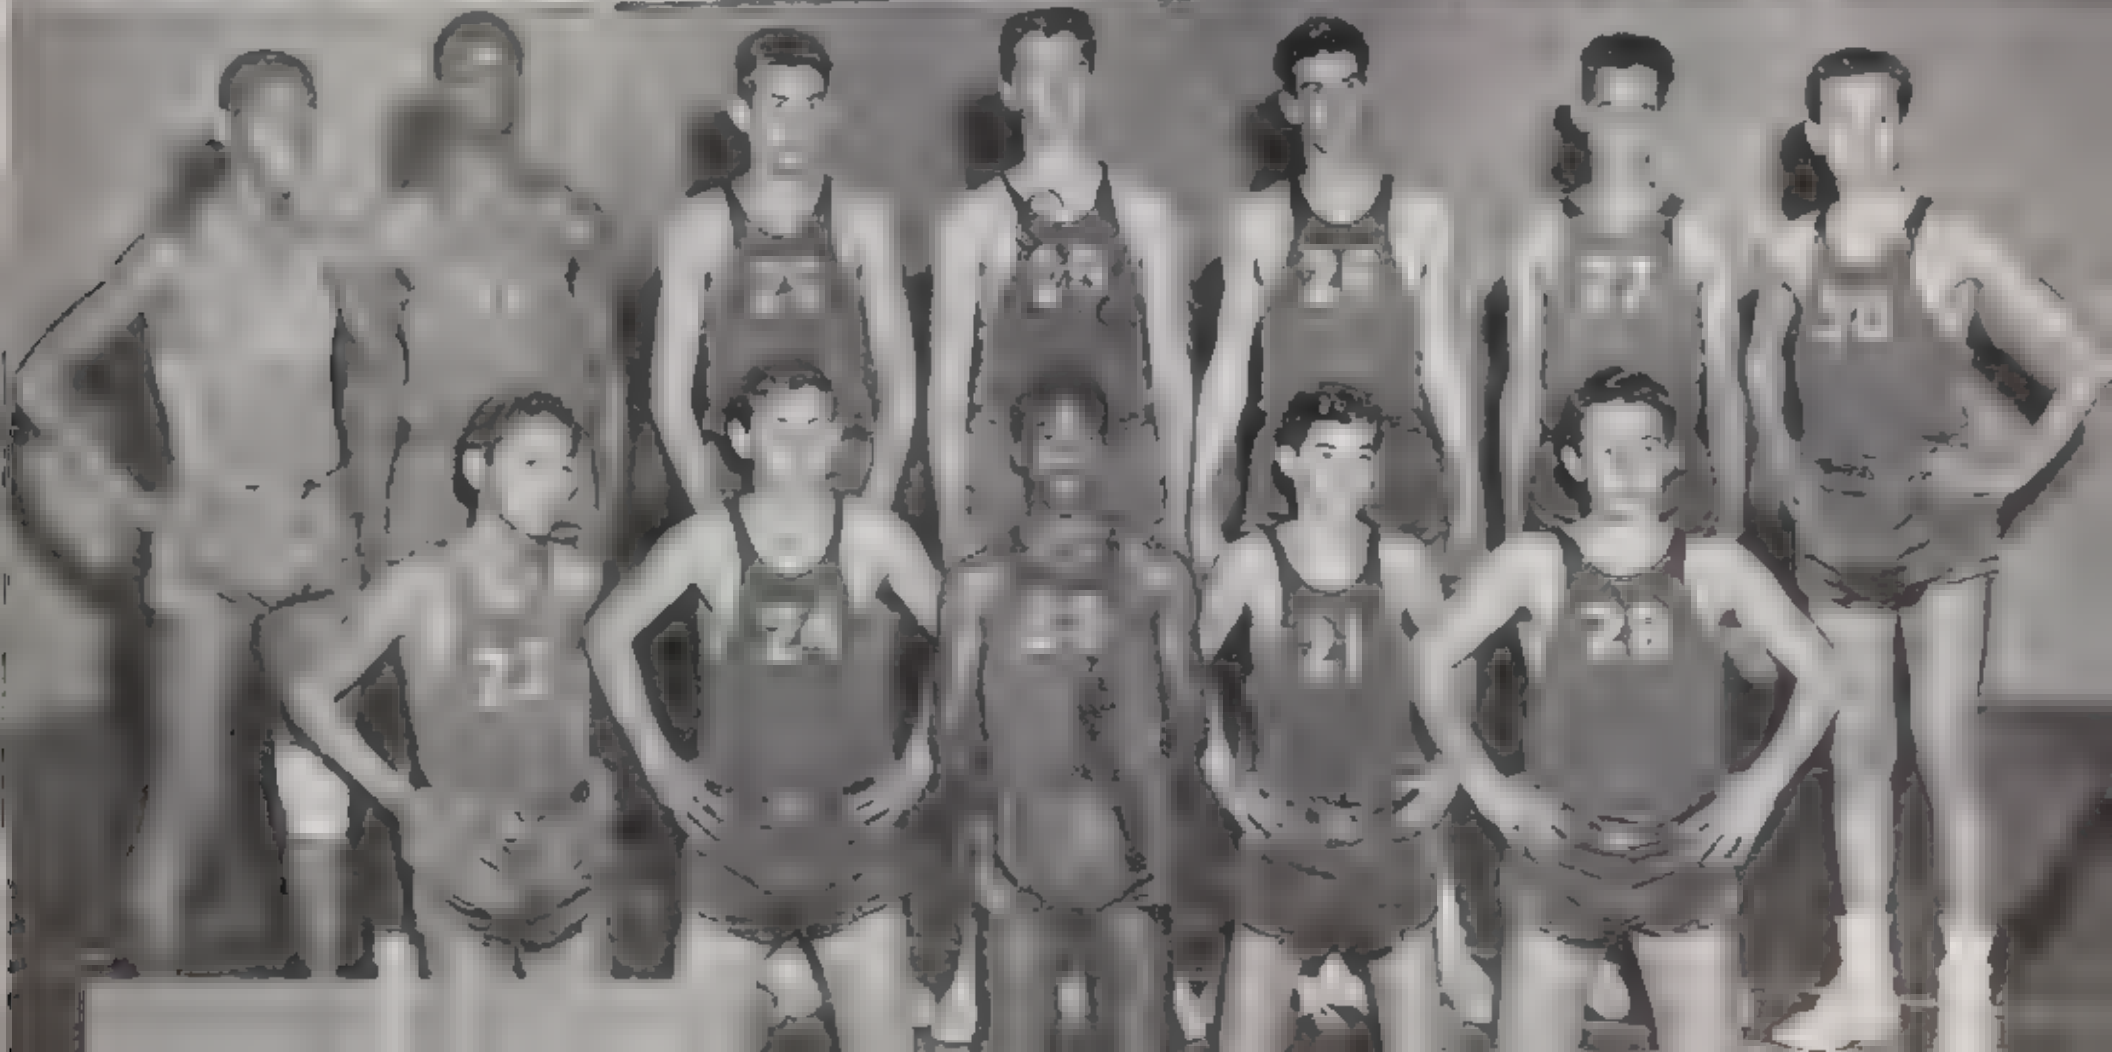

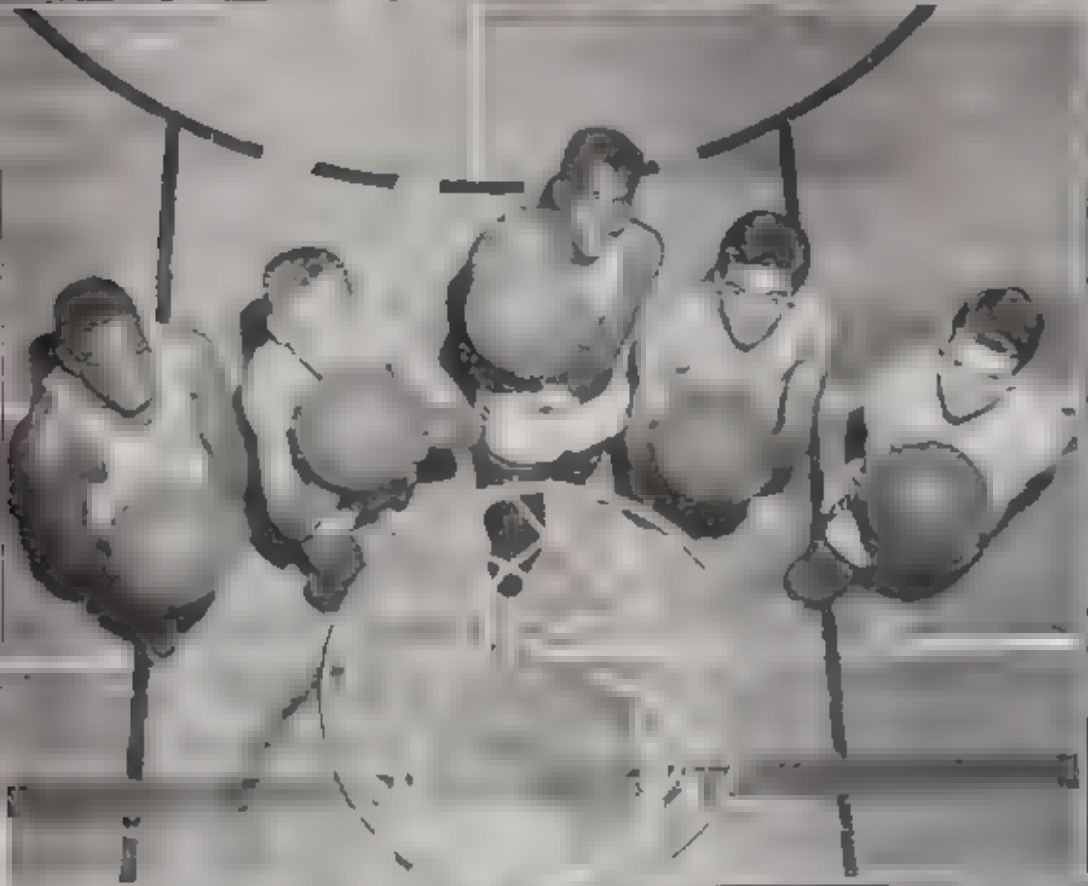

sparkling tech's 1954 championship basketball team were harold gardere, don lim, harold theus, john hardy, jim eversole, booker jackson, ken johnson, ken mallory, and bob ochoa.

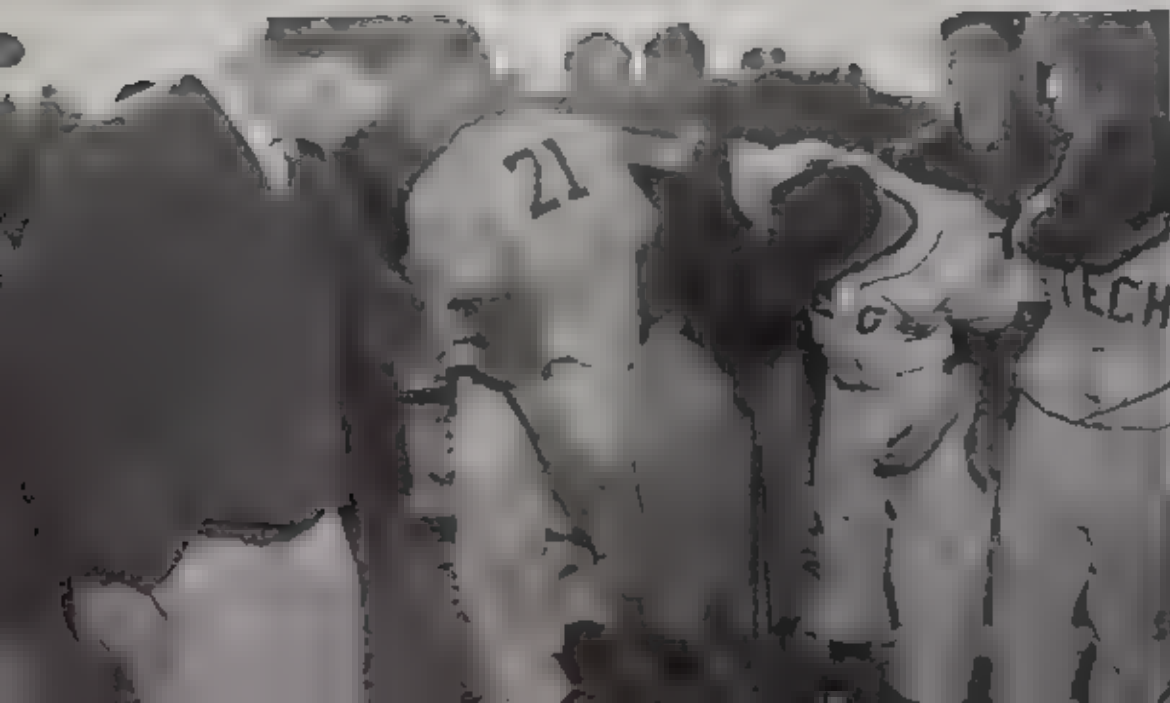

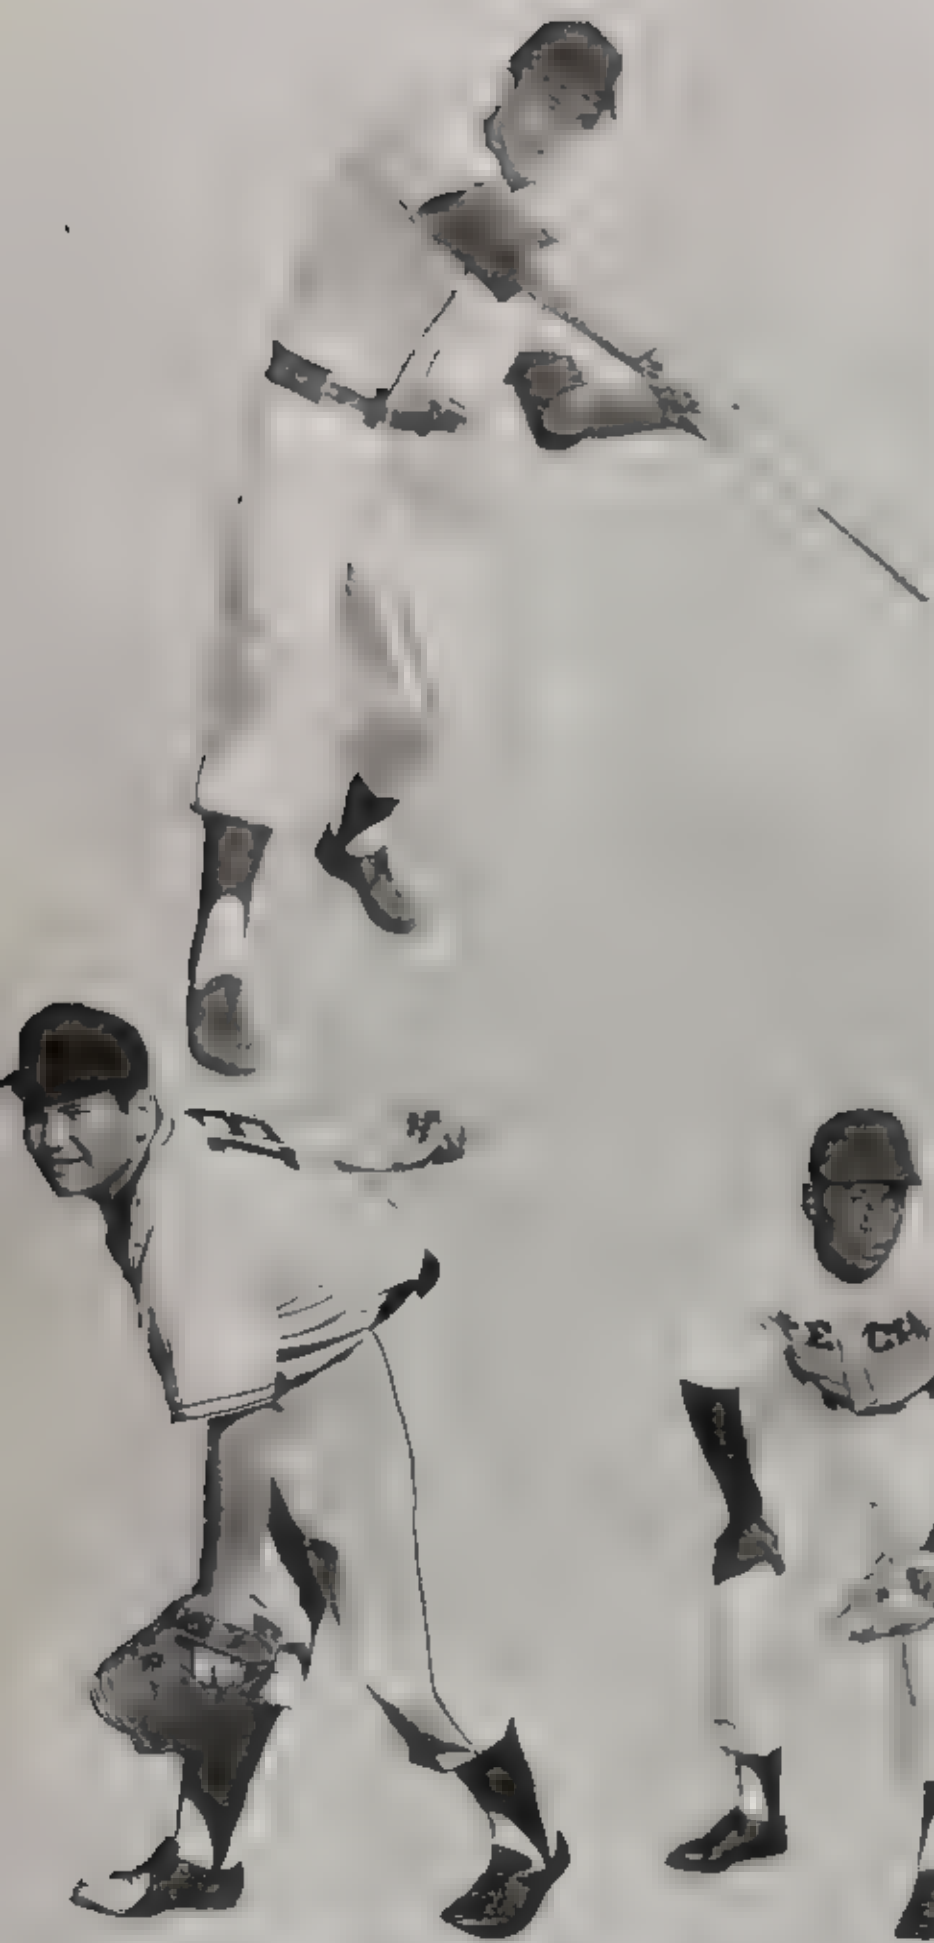

tech's two members of the team on the first-string all-city were guard, harold gardere; and forward, john hardy. bob ochoa won a berth on

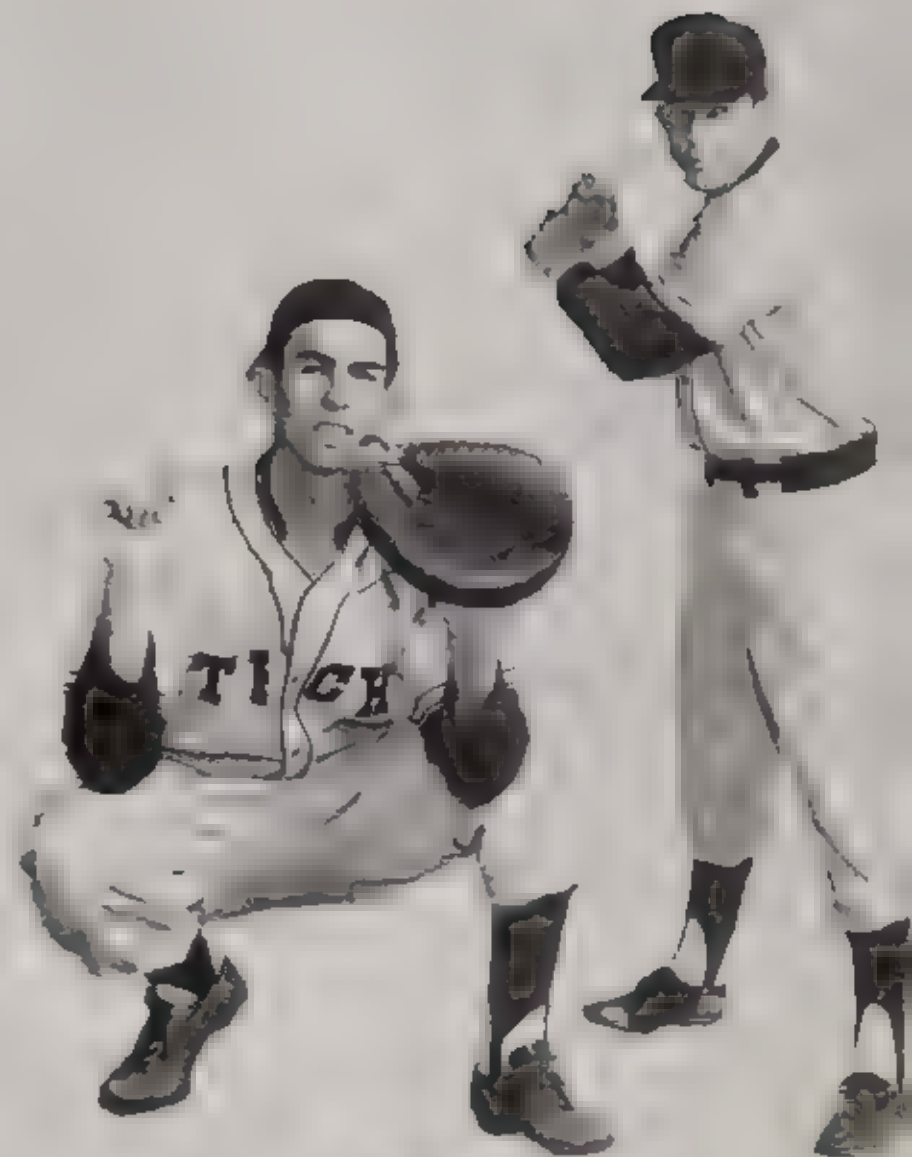

the second-string all-city team as a guard.

the 1954 o.a.l. champs scores are as follows: tech 41, oakland 33; tech 43, mcclymonds 29; tech 48, castlemont 33; tech 51, fremont 31; tech 48, san leandro 49; tech 59, mcclymonds 46; tech 44, oakland 42; tech 45, castlemont 42; tech 54, fremont 41; tech 39, san leandro 36.

basketball

baseball is another of tech's spring sports. the fido first string consists of dan carr, catcher; bill pauletich, first base; denny coughlin, second base; don biasotti, third base; eddie takei, shortstop; merv carter, joe gaines, and curtis flood, outfielders. the pitching staff includes bill brodie, george yuto, dave hutton, elwood brown, dave draheim, bob frist, kendon mallory, nick piombo, dick smith, and don neves.

other team members include don bradbury, bob braden, bob crawford, larry cruz, john engels, larry haskins, roger haugen, george ochikubo, bill shealor, jesse washington, dave mcroberts, and ronnie mortimer.

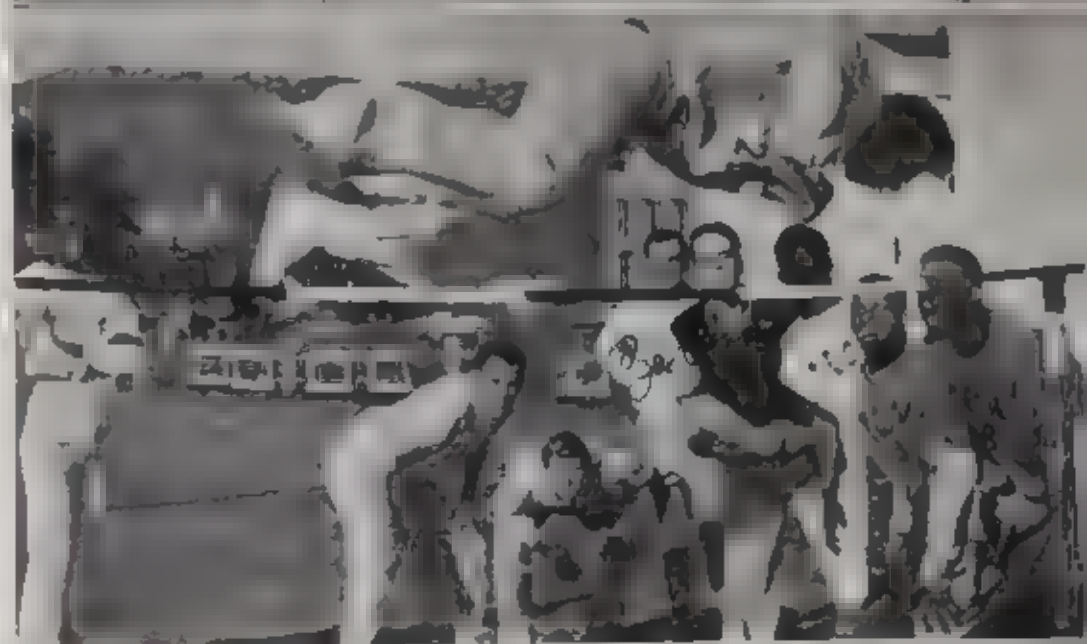

baseball

track

track is the favorite spring sport of many tech students. although track is more of an individual type sport, it requires a host of seconds and thirds to rack up a victory.

shining in the low and high hurdle events this season were john hardy, harold gardere, charles tucker, and ollie thomas. in the 100 and 220 sprints tech was represented by richard mckinney, bob harris, henry cotton, ed ellison, and gardere. john prater, charles bell, and reggie mayfield ran the 440. in the half-mile john trump, carey bolden, and bob dorricott led the field. dave svendsgaard, al kanzaki, and sam trent were featured in the mile run. bell, hardy, harris, and mckinney worked together in the relay.

hardy also put the shot along with teammates, don pizzagani and albert jones. mckinney and gardere, together with clarence tolden placed in the broad jump. harold theus, roy henderson, and gardere were the bulldog high jumpers; arnold williams, earl malone, and tucker represented tech in the pole vault.

the girls' athletic association is an organization for all girls who are interested in participating in the sports activities which are held after school, and for those who are interested in good sportsmanship and team work.

the girls are given points depending on the number of times they participate in the activities. within a 10-week period a girl must attend 8 weeks to receive 100 points for sports held on the campus and 150 points for those held away. when a girl earns 600 points, she is eligible for a block t; and she receives a pin after she has earned 1200 points.

sports held on the campus are softball, swimming, basketball, volleyball, and badminton. those held off campus are tennis, bowling, crew, and roller skating.

spring clubs

tech's many clubs give the students a chance to participate in activities which interest them the most as well as to get to know each other better. students new to tech make friends and learn about the way the school is run when they join clubs. members of the clubs also have an opportunity to join in the making of school laws, for each club sends a representative to the representative assembly. in the spring the clubs hold open house and invite the 10's who are interested to join.

Dear Norma,
what I was planning to
say in Chem. We're in
lots of fun together this
term and I hope we're in
some classes remaining next year. Have fun
Be your remaining years at school.

Norma,
